STIFFED: THE BETRAYAL OF THE AMERICAN MAN

DOWNLOAD

Harper Perennial. Paperback. Book Condition: New. Paperback. 672 pages. One of the most talked-about books of last year, the Pulitzer Prize-winning author of *Backlash* now explores the collapse of traditional masculinity that has left men feeling betrayed. With *Backlash* in 1991, Susan Faludi broke new ground when she put her finger directly on the problem bedeviling women, and the light of recognition dawned on millions of her readers: what's making women miserable isn't something they're doing to themselves in the name of independence. It's something our society is doing to women. The book was nothing less than a landmark. Now in *Stiffed*, the author turns her attention to the masculinity crisis plaguing our culture at the end of the 90s, an era of massive layoffs, Angry White Male politics, and Million Man marches. As much as the culture wants to proclaim that men are made miserable--or brutal or violent or irresponsible--by their inner nature and their hormones, Faludi finds that even in the world they supposedly own and run, men are at the mercy of cultural forces that disfigure their lives and destroy their chance at happiness. As traditional masculinity continues to collapse, the once-valued male attributes of craft, loyalty, and social utility are no longer honored, much less rewarded. Faludi's journey through the modern masculine landscape takes her into the lives of individual men whose accounts reveal the heart of the male dilemma. *Stiffed* brings us into the world of industrial workers, sports fans, combat veterans, evangelical husbands, militiamen, astronauts, and troubled bad boys--whose sense that they've lost their skills, jobs, civic roles, wives, teams, and a secure future is only one symptom of a larger and historic betrayal. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
