It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

At the end of the evening, when I was feeling thoroughly done up, and could hardly stand up for fatigue, my poor friend came up and begged for another dance. I assured him I could scarcely stand, but when he said in a larmoyante voice, I have only danced once this...
