Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.An organized life has always been a dream for most of us. Often it happens that although we want an organized life we are just not able to achieve it. Most of us keep struggling on a day to day basis to organize our life. Times have changed, every person that you may come across is multi-tasking and that to on a big scale. Each and every person is trying to strike a balance in his personal life professional life. If you come to think of it, tasks like to mow the lawn, work the entire day, fix up appointments, pay the bills, call up friends and go out for dinner with your family is not easy manage. But like it or not you will have most of your days like this. Why is organized life so stressed upon? This is because, only when your life will be organized, your tasks be in control will it help you to have a happy, satisfied, stress free and a successful life. After all who wouldn t want to do his work in time and also find quality for leisure activities like reading, travelling etc? Technology has today become our third hand. With so many advances made in technology life has only become easier. Unfortunately most of us are unable to identify this third hand which will make our life so much more easily organized and sorted. A home maker will often struggle with grocery lists and what is to be bought, what not. Students often get bored of making notes in the same old boring way. Teachers look at sharing projects with children as a herculean task. Office goers often...
